## TECHNICAL DATA

| | |
|---|---|
| **Load capacity** | 12.5 t (per type plate) |
| **Construction** | solid welded steel, two massive pin mounts |
| **Hook mount** | quick attach/detach |
| **Condition** | used, fully functional |

## DESCRIPTION

Robust heavy-duty lifting/mounting attachment in solid steel, designed for high loads (12.5 t capacity per type plate). Stable welded construction with two massive pin mounts and hook mount for quick attachment. Ideal for heavy-load applications in construction and industry, or as excavator/crane attachment. Used condition with normal traces of use; inspection by arrangement, collection preferred.
